Fighting Against Injustice

Martin Luther King, Jr. brought everyone together like puzzle pieces. That’s the point of this drawing. Martin Luther King had to find those puzzle pieces before putting them together. But when everything seemed to be going alright, another problem would be thrown at him. It’s like when one piece doesn’t fit. Then you have to go looking for the correct piece. That’s exactly what happened to Martin Luther King, but he kept looking for that missing piece no matter how long it took. Eventually, it paid off.
